READY RELIEF

There is NO NARCOTIC NOR DELETERIOUS DRUG IN

RADWAY'S READY RELIEF.

In using medicines to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine, and all other drugs, by destroying the power of perception, the patient loses the sense of feeling. This is a most dangerous practice. It makes the symptoms, shuts up, and instead of removing trouble, breaks down the system, liver and bowels, and if continued for a length of time, kills the nerves and produces local or general paralysis. There is no remedy for using these uncertain agents when a positive remedy like RADWAY'S READY RELIEF will stop the most excruciating pain quicker without causing the least danger in either infant or adult.

It instantly stops the most excruciating pains, always inflammation and cure congestion whether of the Lungs, Stomach, Bowels or other glands of mucous membranes. A half to a teaspoonful in half a tumbler of water will in a few minutes cure Croup, Whooping Cough, Stomach, Heartburn, Nervousness, Stomachache, Sick Headache, Colic, Flatulency and all internal pains.

A CURE FOR ALL SUMMER COMPLAINTS. DYSENTERY, DIARRHOEA, CHOLERA MORBUS.

A half to a teaspoonful of Ready Relief in a half tumbler of water, repeated as often as the distressing symptoms continue, and the patient will find that Ready Relief placed over the stomach and bowels will afford immediate relief and cure.

MALARIA

CHILLS AND FEVER, FEVER AND AGUE CONQUERED.

RADWAY'S READY RELIEF. Not only cures the patient seized with the malarial fever, but if people exposed to it in chills and fever districts will prevent the disease by getting out of bed and taking twenty drops of the Ready Relief in a glass of water and drink it and eat, and a cure is effected. There is no malarial agent in the world that will cure Fever and Ague, and other malarial diseases, and other fevers, added by RADWAY'S READY RELIEF. Price, 25 cents per bottle. Sold by all druggists.

RADWAY'S PILLS.

Always Reliable. Purely Vegetable.

Perfectly reliable, especially constipated, regular, healthy, and strengthen RADWAY'S PILLS for the cure of all disorders of the Stomach, Liver, Kidneys, Bladder, Nervous System, Rheumatism, Vertigo, Constipation, Piles, LOSS OF APPETITE, SICK HEADACHE, INDIGESTION, DIZZY FEELINGS, FEMALE COMPLAINTS, RHEUMATISM, DYSPENSIA.

PERFECT DIGESTION will be accomplished by taking RADWAY'S PILLS. By their ANTI-BILIOUS properties they remove the bile from the secretion of the bile and its discharge through the biliary ducts. These pills in doses from two to four will quickly regulate the action of the liver and free the patient from these disorders. One or two of RADWAY'S PILLS taken daily by those subject to bilious pains and torpidity of the liver, will keep the system regular and secure healthy digestion.

JESSE DUNN DEFiant

Woods County's Attorney to the Attorney General.

DENOUNCING TAX RAISE

And "Equalization" That More Than Equalizes.

Alva, O. T., July 9.—(Special.)—Owing to the great interest manifested all over the territory in regard to the tax question and the publication by the Eagle of the communication of Hon. Harper S. Cunningham, attorney general of the territory, to the different county attorneys over the territory, the following open letter in reply thereto, from the hand of Jesse J. Dunn, county attorney of Woods County, is of interest. Mr. Dunn writes:

Hon. Harper S. Cunningham, Attorney General, Guthrie, Oklahoma Territory.

Dear Sir:—Your favor of the 25th ult., came duly to hand in which you requested me to "collect any information which will be of use to this office in determining the ratio to pursue with reference to the above matter (the raise made by the territorial board of equalization for 1897) in your county, such as to whether the board of county commissioners have assumed to compromise any cases upon an other basis than the amount fixed by the territorial board of equalization, or the throwing off or penalties in cases where suits have been pending, etc."

In response to this I beg to submit the following as to the case we have pursued in this county in the matter of these different raises.

The first raise was made in 1896 and in Woods County it was a raise of 40 per cent. This was prior to my term as county attorney, but I have since been informed by the individual tax payers of the county to restrain the collection of this tax, and they were all pending when I took this office. Being convinced that the raise was without warrant of law, I have in each instance confessed judgment therefor and thus relieved all who resisted.

A number of claims for relief from this raise were filed before the board of county commissioners and I filed a written opinion with them, upon being requested to do so, holding that the raise was illegal and void. All of the tax warrants at that time in the hands of the sheriff for the collection of this raise, we had returned to the treasurer, the raise deducted, and no raises were made in 1896.

In 1897 the territorial board of equalization raised this county 41 per cent and I instituted a suit in the name of the county to restrain the collection of the county attorney enjoining the county clerk from extending the raise. A perpetual injunction was issued by Hon. John L. McKee, and the raise was not extended nor the tax collected thereon.

This year, 1898, the property of this county is assessed again by the territorial board of equalization and the amount of the raise is 36 per cent. A suit, similar to the one of 1897, has been started to enjoin the extension of this raise on the tax rolls.

The people of Woods County are for the most part poor, they came to this poor, but there is no disposition among them to avoid the payment of a legal claim which they may honestly owe. There is a universal feeling among them that these raises are oppressive and unjust and that as such they ought, of right, be resisted. There is not, however, any disposition to resist the payment of the territorial and other municipal governments, fairly and equitably assessed ought not to be paid. The average rate of raise is about 23.4 per cent, while this county is raised almost three times the average. The entire territory is raised something over 20 per cent, and the county is raised more than one. A man who has \$100.00 in this county and lists it for taxation is required, under this raise, to pay taxes on \$136.00. Our people are not able to call this "equalization."

At the time the "raise" was certified to by the county, the township had all made their levies, and the time has gone by in which they could correct them. If this raise were now run on their property it would result in 86 per cent more taxes than they desired to levy. In the case of the numerous judgments against the county, as there is no disposition among them to avoid the payment of a legal claim which they may honestly owe, there would be 86 per cent more than one-third raised in each instance.

Trusting that the above conveys to you the information you seek, I remain, Very truly, JESSE J. DUNN, County Attorney of Woods County.
